

## **Society to Save Rocks Elects New Managing Committee for 2025–2028**

The Society to Save Rocks held its Annual General Body Meeting (AGM) on 24<sup>th</sup> September 2025 Jubilee Hills International Centre, Hyderabad. The elections for Managing Committee were held and they will serve for a term of three years (2025–2028) and includes a blend of experienced professionals, academics, and nature enthusiasts committed to the Society's mission.

The elected office bearers are:

- **President:** Prof. Fatima Ali Khan, Professor of Geography
- **Vice President:** Sangeeta Varma, Company Secretary in Practice
- **Secretary:** Sushil Prasad, Banking Consultant
- **Joint Secretary:** Padmini Patell, Writer
- **Treasurer:** G. R. B. Pradeep, Accountant

### **Committee Members:**

- Dr. Sudheer Bhan, Linguist
- Ashok Kumar Vootla, Information Security Professional and Photographer
- Bharath Kumar P, IT Professional
- Ravi Kumar Vundavalli, Geologist (Retd., GSI)

The President welcomed the new Committee Members and extended heartfelt thanks to the outgoing members — **Frauke Quader, Sajid Mahmood, and Amita Talwar** — for their dedicated service and invaluable contributions toward protecting Hyderabad's natural rock heritage.
